After the 10th, a penalty of 10% will be assessed.

The reconnect fee will increase by \$25.00 for each additional reconnect as follows: \$ 50.00 for the first time; \$ 75.00 for the second; and \$ 100.00 for the third reconnection.

The reconnect fee shall increase as shown above until one (1) year elapses from the date of the first reconnect. After one year, the next reconnect fee shall be \$50.00 and will thereafter increase as already indicated.

THIS RECONNECTION FEE IS NONREFUNDABLE AND MUST BE PAID IN CASH!

CUT-OFFS (people moving out of town):

Due to our computer program, your meter deposit will be applied toward your final bill. Cut-offs will be made during the normal billing cycle. If you have a balance due, you will be sent a final bill for what is owed, less the amount of the deposit.

If you are moving into a trailer, a City Ordinance states that no trailer without skirting may be provided utilities until skirting is installed.

Waste Management Garbage pickup: Every Wednesday.

Additional cans are available for a fee. Please contact City Hall for details.
